   i. Any local or state law enforcement agency, including campus law enforcement, especially in situations requiring an immediate response; or

   ii. The Department of Family and Protective Services ("DFPS") or the agency designated by a court as responsible for the protection of children.

b. A report must be made to DFPS if the suspected child abuse or neglect involves a person responsible for the care, custody or welfare of the child.

c. A professional employee who has cause to believe that a child has been abused or neglected or may be abused or neglected, or that a child is the victim of the offense of indecency with a child must make a report not later than 48 hours after the time the professional first suspects that the child has been or may be abused or neglected, or is the victim of child abuse or neglect or the offense of indecency with a child.

d. An employee or student witnessing, either a child in imminent danger or a crime against a child in progress should immediately call 911 to make a report.

e. Reporting suspected child abuse or neglect is mandatory and cannot be delegated to another individual or System Administration official. Reporting suspicion to another System Administration officials or employee or to the UNTS Compliance Hotline does not satisfy the reporting requirement.

f. An individual whose personal communications might otherwise be privileged including an attorney, a medical practitioner, a social worker or a mental health professional must still make a report.

g. A report must be made in good faith. Confirmed evidence or proof of child abuse or neglect is not required prior to making a report. Uncertainty should be resolved in favor of making a report.

f. Suspicions must be reported when an individual learns of an allegation regardless of the alleged date of the incident.

g. An employee or student who makes a good faith report will not be retaliated against for making a report, even if a suspicion is unfounded.
h. Failure to immediately report suspected child abuse or neglect is a violation of state law and may subject an employee or student to discipline.

This report can be made to one of the offices identified to accept reports under System Administration Policy 02.1400 or to the Vice Chancellor and General Counsel after reporting to law enforcement or DFPS.

b. Upon receiving a report, the Vice Chancellor and General Counsel will take appropriate action in cooperation with DFPS and/or law enforcement and will not take any action which might otherwise compromise a criminal investigation.
