Why we do a HUB Subcontracting Plan (HSP)

  • Administrative Code §20.14
• Demonstrates a “Good Faith Effort” (GFE) to diversify business opportunities.
• Responses that do not include a complete HSP must be rejected.
Quick Checklist

Use this tool to determine which pages and sections must be completed based on the unique situation and plan of the submitting company.

Page 1

- Contains the HUB goals established by the State of Texas.
- Please ensure Section 1 is completed thoroughly and accurately.
- Note: UNT System HUB Area will verify the Vendor ID and HUB status of the submitting company.
• Declare all subcontracting opportunities on this page.
• List by opportunity type, not by vendor name (that comes later).
• The choices at the bottom will determine which “Method” the submitting company will use to demonstrate a GFE.
• There is an addendum page to use if the submitting company identifies more than 15 subcontracting opportunities.
If the submitting company is not subcontracting any of the work, they must explain how the company will perform the entire contract with its own employees, materials, etc.

The designated representative of the submitting company will read and affirm the contractual obligations within the HSP by signing in the space below.

This should be signed by a senior employee familiar with the project.
