SECTION 1

INTRODUCTION

1.1 UNIVERSITY SYSTEM DESCRIPTION

The University of North Texas System (UNTS) includes the University of North Texas in Denton (UNT), the University of North Texas Health Science Center (UNTHSC) in Fort Worth and the University of North Texas at Dallas (UNTD). The UNT System Administration is based in Downtown Dallas. The UNT System also provides high-quality, innovative and affordable legal education in Downtown Dallas at the University of North Texas at Dallas College of Law. The three independent universities of the UNT System have combined enrollment of just over 42,000 students across five major teaching locations including each main campus as well as Frisco and Downtown Dallas.

1.2 BACKGROUND

The University of North Texas Health Science Center (UNTHSC) is a recipient of a grant through the Cancer Prevention and Research Institute of Texas (CPRIT). CPRIT requires grant recipients who spend $500,000 of CPRIT grant funds or a combination of CPRIT and other state funds during the grant recipient’s fiscal year to submit a program specific single audit. The intent of this RFP is to select an audit firm to perform this audit.

1.3 Group Purchase Authority

Texas law authorizes institutions of higher education (defined by Section 61.003, Education Code) to use the group purchasing procurement method (ref. Sections 51.9335, 73.115, and 74.008, Education Code). Additional Texas institutions of higher education may therefore elect to enter into a contract with the successful Proposer(s) under this Section. Should another institution exercise this option the resulting contract and obligations shall be between that institution and the vendor with the UNTS incurring obligation as a result thereof.

- Audit Team Composition

This Service Agreement is made and entered into by University and Contractor as of the Effective Date.

WHEREAS, University desires that Contractor provide the Services, and Contractor desires to provide the Services to and for the benefit of University;

THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, University and Contractor agree as follows:

AGREEMENT

1. Provision of Services. Contractor shall provide all necessary personnel, equipment, material, supplies, and facilities in the performance of the Services. Contractor shall perform the Services with that standard of professional care, skill, and diligence customarily and ordinarily provided in the performance of similar services.

2. Term. Unless otherwise terminated in accordance with the provisions set forth herein or by mutual written agreement of the parties, the initial term of this agreement shall
begin on the Effective Date, and continue through the Completion Date, unless otherwise extended or terminated by the parties.

3. **Termination.** University may terminate this Agreement at any time upon 30 days prior notice. Either party has the right to terminate this Agreement if the other party is in default of any obligation hereunder. Contractor shall be entitled to compensation for services rendered through the effective date of termination.

4. **Payment of Compensation.** University shall pay the Compensation to Contractor in accordance with the payment terms set forth above, provided that, if no payment terms are specified payment shall be made in accordance with Chapter 2251 of the Texas Government Code. Contractor must be in good standing, not indebted to the State of Texas, and current on all taxes owed to the State of Texas for payment to occur. Invoices and any required supporting documents must be presented to:

   University of North Texas System  
   Business Service Center - Payment Services  
   1112 Dallas Drive, Suite 4000  
   Denton, TX 76205

5. **No Assignment or Delegation.** This Agreement, and the rights and obligations set forth herein, are for personal services and may not be assigned or delegated by either party without the express written consent of the other party.

6. **Property Rights.** University shall, at all times, retain ownership in and the rights to any creative works, research data, reports, designs, recordings, graphical representations, or works of similar nature that may be produced in connection with this Agreement or the Services. Contractor agrees that such works are “works for hire” and assigns all of Contractor’s right, title, and interest to University.

7. **FERPA.** If Contractor has access to students’ educational records, Contractor shall limit its employees’ access to the records to those persons for whom access is essential to the performance of the Services. Contractor shall, at all times and in all respects, comply with the terms of the Family Educational Rights and Privacy Act of 1974, as amended.

8. **Public Information.** University shall release information to the extent required by the Texas Public Information Act and other applicable law. If requested, Contractor shall make public information available to University in an electronic format.

9. **Required Posting of Contracts on Website.** Contractor acknowledges and agrees that University is required by Section 2261.253 of the Texas Government Code to post each contract it enters into for the purchase of goods or services from a private vendor on its Internet website, including any terms and conditions otherwise marked confidential and/or proprietary.

10. **Relationship of Parties.** Contractor shall, at all times, act as an independent contractor and not as a partner, employee, or agent of University. Contractor shall not act or hold himself out to third parties as a partner, employee, or agent of University in the provision of the Services. University shall not have or exercise such control over the manner in which the Services are provided as would jeopardize the status of Contractor as an independent contractor. University will not withhold federal or state income tax or Social Security tax on behalf of Contractor. In addition, Contractor shall have no claim under this Agreement or otherwise
against University for vacation pay, sick leave, unemployment insurance, worker’s compensation, retirement benefits, disability benefits, or employee benefits of any kind. Contractor shall have the exclusive responsibility for the payment of all such taxes and arrangements for insurance coverage and shall discharge such responsibility fully. In the event the Internal Revenue Service or any other governmental agency should question or challenge the independent contractor status of Contractor, the parties hereto mutually agree that both Contractor and University shall have the right to participate in any discussion or negotiation occurring with such agency or agencies, regardless of by whom such discussion or negotiation is initiated.

11. **Non-Waiver.** No failure by either party to insist upon the strict performance of any covenant, agreement, term, or condition of this Agreement, or to exercise a right or remedy shall constitute a waiver. No waiver of any breach shall affect or alter this Agreement, but each and every covenant, condition, agreement, and term of this Agreement shall continue in full force and effect with respect to any other existing or subsequent breach.

12. **Indemnity.** Contractor agrees to indemnify and hold harmless University and its regents, officers, agents, and employees, from and against any liability, losses, or damages it may suffer as a result of claims, demands, causes of action, costs, or judgments against it arising out of Contractor's arising out of any act or omission by Contractor in the provision of the Services.

13. **Breach of Contract Claims Against University.** University is required by law to provide notice that Chapter 2260 of the Texas Government Code establishes a dispute resolution process for contracts involving, goods, services, and certain types of projects. If Chapter 2260 applies to this Agreement, then the statutory dispute resolution process must be used by the Contractor to attempt to resolve all of its disputes arising under this Agreement.

14. **Governing Law and Venue.** This Agreement shall be construed and enforced under and in accordance with the laws of the State of Texas, and venue for any suit filed against University shall be subject to the mandatory venue statute set forth in § 105.151 of the Texas Education Code.

15. **Incorporation and Entire Agreement.** This Agreement incorporates the usual and customary University purchase order and the terms, conditions, and notices contained therein are included herein for all purposes. This Agreement, including any exhibits or addenda identified and incorporated by reference herein, and the corresponding University purchase order constitute the entire agreement between the parties and contain all the agreements between the parties with respect to Contractor and the provision of the Services. The parties expressly acknowledge that, in entering into and executing this Agreement, the parties rely solely upon the representations and agreements contained in this Agreement and no others.

IN WITNESS WHEREOF, the parties have executed this Agreement in multiple originals to be effective as of the date first written above.
