

06.1000 Tenure

06.1001 Concept and Purpose of Tenure. Upon the recommendation of the President, the Board may confer academic tenure, or continuing appointment. “Tenure” means the entitlement of a faculty member to continue in the faculty member’s academic position unless dismissed by the institution for good cause as set forth in the policies and procedures of the institution. Academic tenure recognizes the professional and accomplished status of the faculty member.

Tenure is designed to accomplish the following purposes:

1. assure the faculty of freedom of teaching, research, opinion, and full participation as citizens in the academic community;
2. assist the Institutions by encouraging sound standards for the selection of faculty; and
3. result in the retention, encouragement, and promotion of the most able and promising faculty.

06.1002 Award of Faculty Tenure. As specified in Regents Rule 03.802.5, only the Board may confer faculty tenure. The President shall forward all recommendations for tenure to the Board through the Chancellor.

06.1003 Policies. Each Institution shall recommend to the Board for review, approval, and adoption policies and procedures for the granting of faculty tenure.

06.1004 Reporting Requirement. Each Institution shall file a copy of its faculty tenure policies and procedures and any amendments thereto with the Texas Higher Education Coordinating Board on or before September 1 of each year.
