Addendum #1

Please note the following clarifications are hereby made to the aforementioned RFQ.

This addendum is being issued to answer questions that have been submitted as follows:

Questions and Answers

1. Section 3: Submittal of Proposal states: "Proposer must submit one (1) complete original copy of its entire proposal." and "Proposer must submit one (1) complete copy of the entire proposal electronically on a USB flash drive. The USB flash drive must include a protective cover and be labeled with Proposer’s name and the RFP number."

   Question: Can the University make an exception for submittal and accept electronic proposal submissions, or just USB flash drives? In light of the pandemic, most responding companies are working remotely, and electronic submission is the safest route for submission.

   A. UNTS will only be accepting responses as described in the RFP

2. Section 5: Scope of Services, Specification/Deliverable 5.22 states "Sync multiple times a day to ensure that all calendar feeds' visible content is up to date."

   Question: Please specify the exact number of times per day feed syncs are required.

   A. 6 times per hour.
