Please note the following clarifications are hereby made to the aforementioned RFP.

This addendum is being issued to update/change the proposal submittal date and to provide a clarification on question #3 submitted in Addendum #1.

Update/Change

Proposal Submittal Deadline:

From: July 28, 2020 at 2:00 local time

To: August 4, 2020 at 2:00 PM local time

Question 3: Could you please clarify which one of the “utility chases” behind the imaging room would be available to use for the ancillary equipment, if at all?

Vendors should assume that the utility chases shown in the diagram of Attachment C will not be available for ancillary equipment. Vendors are encouraged to show equipment configurations within the rooms illustrated in the diagram. Vendors should indicate modifications to the diagram if additional space requirements are needed to allow the fit of imaging equipment.
