SECTION 1: INTRODUCTION

1.1 UNTS System Description
The University of North Texas System (UNTS) is a University system that is composed of the University of North Texas in Denton (UNT), the University of North Texas Health Science Center (UNTHSC) in Fort Worth and the University of North Texas at Dallas (UNTD). The UNT System Administration is based in downtown Dallas. The three independent universities of the UNT System have combined enrollment of just over 42,000 students across five major teaching locations, including each main campus as well as Frisco and downtown Dallas. Proposals submitted in response to this RFP shall be for goods and/or services provided to UNTS, UNT, UNTHSC and/or UNTD, as agreed to in writing by the parties.

1.2 Background
UNTS is seeking proposals for a vendor to provide charter airplane services for the North Texas Athletics Football team’s travel to away games for the 2020 football season.

1.3 Group Purchase Authority
Texas law authorizes institutions of higher education to use the group purchasing procurement method (ref. Sections 51.9335, 73.115, and 74.008, Education Code). Additional Texas institutions of higher education may therefore elect to enter into a contract with the successful Proposer(s) under this Section. Should another institution exercise this option the resulting contract and obligations shall be between that institution and the vendor with UNTS incurring no obligation as a result thereof.

SECTION 2: NOTICE TO PROPOSER

2.1 Submittal Deadline
UNTS will accept proposals submitted in response to this RFP until 2:00pm, local time, on February 18, 2020 (the “Submittal Deadline”).

2.2 UNTS Contact Person
Proposers will direct all questions or concerns regarding this RFP to the following UNTS contact (“UNTS Contact”):

    Tawana Laster, Senior Buyer

The University specifically instructs all interested parties to restrict all contact and questions regarding this RFP to written communications forwarded to the UNTS Contact via the following link: https://www.untsystem.edu/bid-inquiry.

The UNTS Contact must receive all questions or concerns no later than 2:00 pm, local time on February 4, 2020. It is UNTS’ intent to respond to all appropriate questions and concerns; however, UNTS reserves the right to decline to respond to any question or concern.

Answers to questions will be posted via addendum to this RFP on UNTS Business Service Center Bid Opportunities web page located at: https://www.untsystem.edu/hr-it-business-services/procurement/purchasing/bid-opportunities. Vendors are strongly advised to review this page at least four (4) business days prior to the due date for submissions or earlier to ensure that you have received all applicable addenda.

2.3 Criteria for Selection
The successful Proposer(s), if any, will be the Proposer(s) who submit a response to this RFP on or before the Submittal Deadline, and whose response is the best value UNTS, taking into consideration the evaluation criteria contained herein. Selection by UNTS will be in accordance with the requirements and specifications set forth in this RFP. The successful Proposer(s) is/are referred to as the “Contractor”. UNTS reserves the right to make a single award from this solicitation or multiple awards, whatever is in the best interest of the University, with UNTS being the sole judge thereof.
Proposer is encouraged to propose terms and conditions offering the maximum benefit to UNTS as outlined below. Proposers should describe all educational, state and local government discounts, as well as any other applicable discounts that may be available to UNTS in a contract for the services.

An evaluation team from UNTS will evaluate proposals. The evaluation of proposals and the selection of Contractor will be based on the information provided by Proposer in its proposal. Proposers should address, within the response, each of the criteria listed in this section. Failure to respond to these criteria may result in your proposal receiving a negative rating or considered as non-responsive. Proposers should note that the awarded proposal may not be the lowest offer, but the offer(s) deemed most advantageous to UNTS as described in this section.

The criteria to be considered by UNTS in evaluating proposals and selecting awardee(s), will be the following factors:

2.3.1 Cost- overall cost for preferred plane types/FBO's
2.3.2 History and Past Performance
2.3.3 Ability to provide services as requested in RFP
2.3.4 References

Furthermore, UNTS may consider information related to past contract performance of a respondent including, but not limited to, the Texas Comptroller of Public Accounts Vendor Performance Tracking System.

If the plane is not available and ready for take-off within the contracted time-frame, the Contractor will be responsible to feed and house the traveling party until such flight is ready, in addition to Contractor's other obligations as set forth in this contract. This requirement extends to FBO or other non-main terminal locations and/or sub-contracted gates.

In the case of additional ground time and/or delays due to mechanical difficulties, or other reasons attributable to the Contractor, the Contractor shall compensate the University for such delay(s). Compensation would include, but not be limited to the following: 1-hour delay – PowerAde and Powerbars for each traveler; 1.5 to 2 hour delay – a meal for each traveler, lounge accommodations for all travelers. Contractor shall provide current on time records for scheduled commercial flights and charters.

**Cancellation or Delayed Operation**

**Weather-related Cancellations:**

The Contractor shall discuss actual and anticipated weather conditions with the University. Where possible, such discussions shall occur sufficiently in advance of the flight to permit the University to decide whether to proceed with or cancel the flight. Final decision whether to proceed with or to
cancel a flight for weather-related reasons shall always rest with the Contractor, which shall provide verification and substantiation of the reason(s) for flight cancellation if the University so requests and in writing if the University so requests. If a flight is canceled for weather-related reasons, the Contractor shall refund all fees and costs paid by the University for the flight and all associated matters. Upon Boise State request, the Contractor shall make every effort to provide alternative flight options in the event that the scheduled flight is significantly delayed or cancelled due to weather.

**Cancellation for Mechanical and Other Reasons**
If a flight is canceled in whole or in part due to mechanical reasons, flight crew availability, or if a flight is canceled in whole or part for other reasons within the Contractor’s control, the Contractor shall be obligated to provide a substantially equivalent replacement aircraft. If Contractor fails to provide such an aircraft, it shall refund all fees and costs paid by the University for the flight and all associated matters and shall be liable for all damages, including consequential damages incurred by the University. The Contractor acknowledges that said damages may include, but are not limited to, lodging, meals, alternate travel arrangements, lost game revenue, game cancellation liquidated damages amounts as defined in the contract between the University and its opponent, and compensation for delays.

The carrier is to outline a plan for backup service should the need arise.

**Cancellation by the University**
The University may cancel any and all flights, for reasons beyond the University’s control, such as but not limited to game cancellation due to adverse weather. The University shall make every effort to provide 24-hour advance notice of any such cancellation(s). Upon such cancellation, the Contractor shall credit all fees paid by the University for the flight and associated matters to be applied to a future flight with the Contractor.

**Delay or Change by the University**
The University may delay or change any and all flights, for reasons beyond the University’s control, such as but not limited to game date change, network television scheduling related changes, field availability, etc. The University shall provide notice to the Contractor as soon as possible. If the Contractor is not able to accommodate the delay or change, the Contractor shall credit all fees paid by the University for the flight and associated matters to be applied to a future flight with the Contractor.

**Ground Time** - The costs incurred for all ground time delays due to any reason not within the control of the University shall be borne by the Contractor. For ground time delays attributed to the University, the first two hours shall be at no charge to the University.

**Client References** - Contractor shall submit a list of three (3) customers to serve as references. Customers must have utilized comparable services as those listed in the RFP, and been under contract within the last two (2) years with the contractor. Submit the reference name, address of facility, contact name, and contact phone number.

**Proposer Information** - If the Contractor has documents that require review or signature of the University of North Texas, these documents must accompany your proposal and will be considered in our evaluation. Keep in mind that the University of North Texas’ Terms & Conditions and General Provisions shall apply first in all instances.

**Flight Selections** - The University of North Texas will have the right to select which flights it will choose upon final proposal submission. Carrier will know which flights the University of North Texas will purchase before contract is signed.

**Incentives** – Contractor shall describe, in detail, and list associated incentives for additional goods and/or services available to the University but not necessarily addressed. The University shall determine which additional service options shall be most beneficial from both a cost and service standpoint, and may further negotiate these options to include or omit dependent on the needs of the University.
Fuel Charges - Separately identify fuel cost assumption per flight in Section 3. Fuel cost assumption should be in dollars/gallon. If a fuel surcharge is a variable in the costs associated with these charters (documentation required to substantiate fuel surcharge), identify fuel usage quantity per flight hour, flight hours per flight (to include deadheads) and calculation for determining fuel surcharge or credit. Identify if fuel cost assumption is based on current fuel costs, or a projection of future fuel costs, and provide date of that projection. The cost of fuel will be normalized for all bids to allow for consistent pricing comparison.

2020 Football Season Schedule

All game dates and times are tentative. The University reserves the right to change dates and/or times. A finalized schedule will be sent to the successful Contractor 90 days prior to each flight. Changes outside the control of the University of North Texas shall be communicated to Vendor as soon as possible.

Below is the University of North Texas Athletic Department (Football) away game schedule, game times are still TBD. Departure time for each flight is determined as soon as possible after the official schedule is published. Requests by the University of North Texas to adjust departure times may occur especially if the host school changes stadium availability for practice on arrival day, television schedule changes, or other similar changes occur that affect the trip schedule.

While some consideration will be given for alternative arrival and departure times, this is only at the discretion and approval of the Athletic Department to accept such alternatives. A detailed schedule is to accompany your proposal that best meets our criteria.

Proposer should explain the reason when responding N/A or N/R.

1.12 Addenda Checklist
Proposer should acknowledge all addenda to this RFP (if any) by completing, signing and returning the Addenda Checklist (ref. Appendix One, Section 4) as part of its proposal. Any proposal received without a completed and signed Addenda Checklist may be rejected by UNTS, in its sole discretion.

1.13 Submittal
Proposer should submit all proposal materials enclosed in a sealed envelope, box, or container. The RFP No. (ref. Section 1.3 of this RFP) and the Submittal Deadline (ref. Section 2.1 of this RFP) should be clearly shown in the lower left-hand corner on the top surface of the container. In addition, the name and the return address of the Proposer should be clearly visible.

Proposer must also submit the number of originals of the HUB Subcontracting Plan (also called the HSP), if required, as directed by this RFP (ref. Section 2.5 of the RFP.)

Note: If proposal requires the submittal of an HSP, the completed HSP documents and the proposal response documents must be in separate sealed envelopes. Both envelopes are to be placed in a master container, and such master container should be marked in the lower left-hand corner with the RFP number and name and Submittal Deadline, as stated above.

Upon Proposer’s request and at Proposer’s expense, UNTS will return to a Proposer its proposal received after the Submittal Deadline if the proposal is properly identified. UNTS will not under any circumstances consider a proposal that is received after the Submittal Deadline or which is not accompanied by the number of completed and signed originals of the HSP that are required by this RFP.

UNTS will not accept proposals submitted by telephone, proposals submitted by facsimile ("fax") transmission, or proposals submitted by electronic transmission (i.e., e-mail) in response to this RFP.

Except as otherwise provided in this RFP, no proposal may be changed, amended, or modified after it has been submitted to UNTS. However, a proposal may be withdrawn and resubmitted at any time prior to the Submittal Deadline. No proposal may be withdrawn after the Submittal Deadline without UNTS’s consent, which will be based on Proposer's submittal of a written explanation and documentation evidencing a reason acceptable to UNTS, in UNTS’s sole discretion.

By signing the Execution of Offer (ref. Appendix One, Section 2) and submitting a proposal, Proposer certifies that any terms, conditions, or documents attached to or referenced in its proposal are applicable to this procurement only to the extent that they (a) do not conflict with the laws of the State of Texas or this RFP and (b) do not place any requirements on UNTS that are not set forth in this RFP or in the Appendices to this RFP. Proposer further certifies that the submission of a proposal is Proposer's good faith intent to enter into the Agreement with UNTS as specified herein and that such intent is not contingent upon UNTS’ acceptance or execution of any terms, conditions, or other documents attached to or referenced in Proposer’s proposal.

1.14 Page Size, Binders, and Dividers
Proposals must be typed on letter-size (8-1/2” x 11”) paper, and must be submitted in a binder. Preprinted material should be referenced in the proposal and included as labeled attachments. Sections within a proposal should be divided by tabs for ease of reference.
Section 2: Execution of Offer

THIS EXECUTION OF OFFER MUST BE COMPLETED, SIGNED AND RETURNED WITH PROPOSER'S RESPONSE. FAILURE TO COMPLETE, SIGN AND RETURN THIS EXECUTION OF OFFER WITH THE PROPOSER'S RESPONSE MAY RESULT IN THE REJECTION OF THE PROPOSAL.

2.1 By signature hereon, Proposer represents and warrants the following:

2.1.1 Proposer acknowledges and agrees that (1) this RFP is a solicitation for a proposal and is not a contract or an offer to contract, (2) the submission of a proposal by Proposer in response to this RFP will not create a contract between UNTS and Proposer; (3) UNTS has made no representation or warranty, written or oral, that one or more contracts with UNTS will be awarded under this RFP; and (4) Proposer will bear, as its sole risk and responsibility, any cost arising from Proposer's preparation of a response to this RFP.

2.1.2 Proposer is a reputable company that is lawfully and regularly engaged in providing the Services.

2.1.3 Proposer has the necessary experience, knowledge, abilities, skills, and resources to perform the Services.

2.1.4 Proposer is aware of, is fully informed about, and is in full compliance with all applicable federal, state and local laws, rules, regulations and ordinances.

2.1.5 Proposer understands (i) the requirements and specifications set forth in this RFP and (ii) the terms and conditions set forth in the Agreement under which Proposer will be required to operate.

2.1.6 If selected by UNTS, Proposer will not delegate any of its duties or responsibilities under this RFP or the Agreement to any sub-contractor, except as expressly provided in the Agreement.

2.1.7 If selected by UNTS, Proposer will maintain any insurance coverage as required by the Agreement during the term thereof.

2.1.8 All statements, information and representations prepared and submitted in response to this RFP are current, complete, true and accurate. Proposer acknowledges that UNTS will rely on such statements, information and representations in selecting Contractor. If selected by UNTS, Proposer will notify UNTS immediately of any material change in any matters with regard to which Proposer has made a statement or representation or provided information.

2.1.9 Proposer will defend with counsel approved by UNTS, indemnify, and hold harmless UNTS, The University of North Texas System, the State of Texas, and all of their regents, officers, agents and employees, from and against all actions, suits, demands, costs, damages, liabilities and other claims of any nature, kind or description, including reasonable attorneys' fees incurred in investigating, defending or settling any of the foregoing, arising out of, connected with, or resulting from any negligent acts or omissions or willful misconduct of Proposer or any agent, employee, subcontractor, or supplier of Proposer in the execution or performance of any contract or agreement resulting from this RFP.

2.1.10 Pursuant to Sections 2107.008 and 2252.903, Government Code, any payments owing to Proposer under any contract or agreement resulting from this RFP may be applied directly to any debt or delinquency that Proposer owes the State of Texas or any agency of the State of Texas regardless of when it arises, until such debt or delinquency is paid in full.

2.2 By signature hereon, Proposer offers and agrees to furnish the services to UNTS and comply with all terms, conditions, requirements and specifications set forth in this RFP.

2.3 By signature hereon, Proposer affirms that it has not given or offered to give, nor does Proposer intend to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with its submitted proposal. Failure to sign this Execution of Offer, or signing with a false statement, may void the submitted proposal or any resulting contracts, and the Proposer may be removed from all proposal lists at UNTS.

2.4 By signature hereon, Proposer certifies that it is not currently delinquent in the payment of any taxes due under Chapter 171, Tax Code, or that Proposer is exempt from the payment of those taxes, or that Proposer is an out-of-state taxable entity that is not subject to those taxes, whichever is applicable. A false certification will be deemed a material breach of any resulting contract or agreement and, at UNTS's option, may result in termination of any resulting contract or agreement.

2.5 By signature hereon, Proposer hereby certifies that neither Proposer nor any firm, corporation, partnership or institution represented by Proposer, or anyone acting for such firm, corporation or institution, has violated the antitrust laws of the State of Texas, codified in Section 15.01, et seq., Business and Commerce Code, or the Federal antitrust laws, nor communicated directly or indirectly the proposal made to any competitor or any other person engaged in such line of business.
2.6 By signature hereon, Proposer certifies that the individual signing this document and the documents made a part of this RFP, is authorized to sign such documents on behalf of Proposer and to bind Proposer under any agreements and other contractual arrangements that may result from the submission of Proposer’s proposal.

2.7 By signature hereon, Proposer certifies as follows:

"Under Section 231.006, Family Code, relating to child support, Proposer certifies that the individual or business entity named in the Proposer’s proposal is not ineligible to receive the specified contract award and acknowledges that any agreements or other contractual arrangements resulting from this RFP may be terminated if this certification is inaccurate."

2.8 By signature hereon, Proposer certifies that (i) no relationship, whether by blood, marriage, business association, capital funding agreement or by any other such kinship or connection exists between the owner of any Proposer that is a sole proprietorship, the officers or directors of any Proposer that is a corporation, the partners of any Proposer that is a partnership, the joint venturers of any Proposer that is a joint venture or the members or managers of any Proposer that is a limited liability company, on one hand, and an employee of any component of UNTS of North Texas System, on the other hand, other than the relationships which have been previously disclosed to UNTS in writing; (ii) Proposer has not been an employee of any component institution of the University of North Texas System within the immediate twelve (12) months prior to the Submittal Deadline; and (iii) no person who, in the past four (4) years served as an executive of a state agency was involved with or has any interest in Proposer’s proposal or any contract resulting from this RFP (ref. Section 669.003, Government Code). All disclosures by Proposer in connection with this certification will be subject to administrative review and approval before UNTS enters into a contract or agreement with Proposer.

2.9 By signature hereon, Proposer certifies its compliance with all federal laws and regulations pertaining to Equal Employment Opportunities and Affirmative Action.

2.10 By signature hereon, Proposer affirmatively states that it does not boycott Israel, pursuant to Texas Gov’t Code Section 2270.001. Additionally, Proposer shall not engage in a boycott of Israel during the term of this Agreement.

2.13 By signature hereon, Respondent will comply with and agree to use e-Verify in accordance with State of Texas Executive Order RP-80.

2.14 Proposer will and has disclosed, as part of its proposal, any exceptions to the certifications stated in this Execution of Offer. All such disclosures will be subject to administrative review and approval prior to the time UNTS makes an award or enters into any contract or agreement with Proposer.

2.15 If Proposer will sell or lease computer equipment to UNTS under any agreements or other contractual arrangements that may result from the submission of Proposer’s proposal then, pursuant to Section 361.965(c), Health & Safety Code, Proposer certifies that it is in compliance with the Manufacturer Responsibility and Consumer Convenience Computer Equipment Collection and Recovery Act set forth in Chapter 361, Subchapter Y, Health & Safety Code and the rules adopted by the Texas Commission on Environmental Quality under that Act as set forth in Title 30, Chapter 328, Subchapter I, Texas Administrative Code. Section 361.952(2), Health & Safety Code, states that, for purposes of the Manufacturer Responsibility and Consumer Convenience Computer Equipment Collection and Recovery Act, the term “computer equipment” means a desktop or notebook computer and includes a computer monitor or other display device that does not contain a tuner.

This Service Agreement is made and entered into by University and Contractor as of the Effective Date.

WHEREAS, University desires that Contractor provide the Services, and Contractor desires to provide the Services to and for the benefit of University;

THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, University and Contractor agree as follows:

AGREEMENT

1. Provision of Services. Contractor shall provide all necessary personnel, equipment, material, supplies, and facilities in the performance of the Services. Contractor shall perform the Services with that standard of professional care, skill, and diligence customarily and ordinarily provided in the performance of similar services.

2. Term. Unless otherwise terminated in accordance with the provisions set forth herein or by mutual written agreement of the parties, the initial term of this agreement shall begin on the Effective Date, and continue through the Completion Date, unless otherwise extended or terminated by the parties.

3. Termination. University may terminate this Agreement at any time upon days prior notice. Either party has the right to terminate this Agreement if the other party is in default of any obligation hereunder. Contractor shall be entitled to compensation for services rendered through the effective date of termination.
4. **Payment of Compensation.** University shall pay the Compensation to Contractor in accordance with the payment terms set forth above, provided that, if no payment terms are specified payment shall be made in accordance with Chapter 2251 of the Texas Government Code. 5. **No Assignment or Delegation.** This Agreement, and the rights and obligations set forth herein, are for personal services and may not be assigned or delegated by either party without the express written consent of the other party.

6. **Property Rights.** University shall, at all times, retain ownership in and the rights to any creative works, research data, reports, designs, recordings, graphical representations, or works of similar nature that may be produced in connection with this Agreement or the Services. Contractor agrees that such works are “works for hire” and assigns all of Contractor’s right, title, and interest to University.

7. **FERPA.** If Contractor has access to students’ educational records, Contractor shall limit its employees’ access to the records to those persons for whom access is essential to the performance of the Services. Contractor shall, at all times and in all respects, comply with the terms of the Family Educational Rights and Privacy Act of 1974, as amended.

8. **Public Information.** University shall release information to the extent required by the Texas Public Information Act and other applicable law. If requested, Contractor shall make public information available to University in an electronic format.

10. **Relationship of Parties.** Contractor shall, at all times, act as an independent contractor and not as a partner, employee, or agent of University. Contractor shall not act or hold himself out to third parties as a partner, employee, or agent of University in the provision of the Services. University shall not have or exercise such control over the manner in which the Services are provided as would jeopardize the status of Contractor as an independent contractor. University will not withhold federal or state income tax or Social Security tax on behalf of Contractor. In addition, Contractor shall have no claim under this Agreement or otherwise against University for vacation pay, sick leave, unemployment insurance, worker’s compensation, retirement benefits, disability benefits, or employee benefits of any kind.
