SECTION 1: INTRODUCTION

1.1 UNTS System Description
The University of North Texas System (UNTS) is a University system that is composed of the University of North Texas in Denton (UNT), the University of North Texas Health Science Center (UNTHSC) in Fort Worth and the University of North Texas at Dallas (UNTD). The UNT System Administration is based in downtown Dallas. The three independent universities of the UNT System have combined enrollment of just over 42,000 students across five major teaching locations, including each main campus as well as Frisco and downtown Dallas. Proposals submitted in response to this RFP shall be for goods and/or services provided to UNTS, UNT, UNTHSC and/or UNTD, as agreed to in writing by the parties.

1.2 Background
UNTS on behalf of UNT is seeking proposals for upgrading the video controls (NIGP commodity code 287-00.) that was purchased and installed in or around 2011 by Daktronics. Most components of the frontend system are at end or near end life. UNT is seeking a qualified vendor to replace or upgrade specific, existing components of our frontend video control system for Apogee Stadium. It is the intent of UNT Athletics to have the stadium system installed and properly operating by May 15, 2020. The system shall be comprised of scoring and video components.

1.3 Group Purchase Authority
Texas law authorizes institutions of higher education to use the group purchasing procurement method (ref. Sections 51.9335, 73.115, and 74.008, Education Code). Additional Texas institutions of higher education may therefore elect to enter into a contract with the successful Proposer(s) under this Section. Should another institution exercise this option the resulting contract and obligations shall be between that institution and the vendor with UNTS incurring no obligation as a result thereof.

SECTION 2: NOTICE TO PROPOSER

THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, University and Contractor agree as follows:

AGREEMENT

1. Provision of Services. Contractor shall provide all necessary personnel, equipment, material, supplies, and facilities in the performance of the Services. Contractor shall perform the Services with that standard of professional care, skill, and diligence customarily and ordinarily provided in the performance of similar services.

6. Property Rights. a waiver. No waiver of any breach shall affect or alter this Agreement, but each and every covenant, condition, agreement, and term of this Agreement shall continue in full force and effect with respect to any other existing or subsequent breach.

12. Indemnity. Contractor agrees to indemnify and hold harmless University and its regents, officers, agents, and employees, from and against any liability, losses, or damages it may suffer as a result of claims, demands, causes of action, costs, or judgments against it arising out of Contractor’s arising out of any act or omission by Contractor in the provision of the Services.

13. Breach of Contract Claims Against University. If Chapter 2260 applies to this Agreement, then the statutory dispute resolution process must be used by the Contractor to attempt to resolve all of its disputes arising under this Agreement.

14. Governing Law and Venue. This Agreement shall be construed and enforced under and in accordance with the laws of the State of Texas, and venue for any suit filed against University shall be subject to the mandatory venue statute set forth in § 105.151 of the Texas Education Code.
