SECTION 1: INTRODUCTION

1.1 UNTS System Description
The University of North Texas System (UNTS) is a University system that is composed of the University of North Texas in Denton (UNT), the University of North Texas Health Science Center (UNTHSC) in Fort Worth and the University of North Texas at Dallas (UNTD). The UNT System Administration is based in downtown Dallas. The three independent universities of the UNT System have combined enrollment of just over 42,000 students across five major teaching locations, including each main campus as well as Frisco and downtown Dallas. Proposals submitted in response to this RFP shall be for goods and/or services provided to UNTS, UNT, UNTHSC and/or UNTD, as agreed to in writing by the parties.

1.2 Background
UNTS is seeking proposals for Water Jet Cutting Equipment for UNT Mechanical Engineering (NIGP commodity code 334-19; 555-30; 815-00; 815-13). Waterjet cutting for any material, is a newer technology that UNT needs to teach students. This will not impact any statutory requirements, policies or business processes. We need to expand our technologies in fabrication methods especially for Mechanical Engineering and Design junior and senior level classes. In the Mechanical Engineering and Design Colleges current needs are not being met. The goal is to expand our curriculum for junior and senior mechanical engineering classes and senior design students. We will benefit by giving students a more complete educational experience.

1.3 Group Purchase Authority
Texas law authorizes institutions of higher education to use the group purchasing procurement method (ref. Sections 51.9335, 73.115, and 74.008, Education Code). Additional Texas institutions of higher education may therefore elect to enter into a contract with the successful Proposer(s) under this Section. Should another institution exercise this option the resulting contract and obligations shall be between that institution and the vendor with UNTS incurring no obligation as a result thereof.

SECTION 2: NOTICE TO PROPOSER

2.1 Submittal Deadline
UNTS will accept proposals submitted in response to this RFP until 2:00 p.m., local time, on April 21, 2021 (the “Submittal Deadline”).

2.2 UNTS Contact Person
Proposers will direct all questions or concerns regarding this RFP to the following UNTS contact (“UNTS Contact”):

Denise Harpool, Construction Solicitation Administrator
denise.harpool@untsystem.edu

The University specifically instructs all interested parties to restrict all contact and questions regarding this RFP to written communications forwarded to the UNTS Contact via the following link: https://www.untsystem.edu/bid-inquiry.

The UNTS Contact must receive all questions or concerns no later than 2:00 pm on April 6, 2021. It is UNTS’ intent to respond to all appropriate questions and concerns; however, UNTS reserves the right to decline to respond to any question or concern.

Answers to questions will be posted via addendum to this RFP on UNTS Business Service Center Bid Opportunities web page located at: https://www.untsystem.edu/hr-it-business-services/procurement/purchasing/bid-opportunities. Vendors are strongly advised to review this page at least four (4) business days prior to the due date for submissions or earlier to ensure that you have received all applicable addenda.
2.3 Criteria for Selection

The successful Proposer(s), if any, will be the Proposer(s) who submit a response to this RFP on or before the Submittal Deadline, and whose response is the best value UNTS, taking into consideration the evaluation criteria contained herein. UNTS reserves the right to make a single award from this solicitation or multiple awards, whatever is in the best interest of the University, with UNTS being the sole judge thereof.

Proposer is encouraged to propose terms and conditions offering the maximum benefit to UNTS as outlined below. Proposers should describe all educational, state and local government discounts, as well as any other applicable discounts that may be available to UNTS in a contract for the services.

An evaluation team from UNTS will evaluate proposals. The evaluation of proposals and the selection of Contractor will be based on the information provided by Proposer in its proposal. Proposers should address, within the response, each of the criteria listed in this section. Failure to respond to these criteria may result in your proposal receiving a negative rating or considered as non-responsive. Proposers should note that the awarded proposal may not be the lowest offer, but the offer(s) deemed most advantageous to UNTS as described in this section.

The criteria to be considered by UNTS in evaluating proposals and selecting awardee(s), will be the following factors:

2.3.1 The Vendors financial proposal including, but not limited to discounts, services and other charges/fees.
2.3.2 The Vendors relevant qualification and experience and availability, key personnel outlined in this RFP, as well as any special services the Vendor may provide.

RECITALS

This Service Agreement is made and entered into by University and Contractor as of the Effective Date.

WHEREAS, University desires that Contractor provide the Services, and Contractor desires to provide the Services to and for the benefit of University;

THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, University and Contractor agree as follows:

AGREEMENT

1. Provision of Services. Contractor shall provide all necessary personnel, equipment, material, supplies, and facilities in the performance of the Services. Contractor shall perform the Services with that standard of professional care, skill, and diligence customarily and ordinarily provided in the performance of similar services.

2. Term. Unless otherwise terminated in accordance with the provisions set forth herein or by mutual written agreement of the parties, the initial term of this agreement shall begin on the Effective Date, and continue through the Completion Date, unless otherwise extended or terminated by the parties.

3. Termination. University may terminate this Agreement at any time upon days prior notice. Either party has the right to terminate this Agreement if the other party is in default of any obligation hereunder. Contractor shall be entitled to compensation for services rendered through the effective date of termination.
4. Payment of Compensation. University shall pay the Compensation to Contractor in accordance with the payment terms set forth above, provided that, if no payment terms are specified payment shall be made in accordance with Chapter 2251 of the Texas Government Code. Contractor must be in good standing, not indebted to the State of Texas, and current on all taxes owed to the State of Texas for payment to occur. Invoices and any required supporting documents must be presented to:

University of North Texas System
Business Service Center - Payment Services
1112 Dallas Drive, Suite 4000
Denton, TX 76205

5. No Assignment or Delegation. This Agreement, and the rights and obligations set forth herein, are for personal services and may not be assigned or delegated by either party without the express written consent of the other party.

6. Property Rights. University shall, at all times, retain ownership in and the rights to any creative works, research data, reports, designs, recordings, graphical representations, or works of similar nature that may be produced in connection with this Agreement or the Services. Contractor agrees that such works are “works for hire” and assigns all of Contractor’s right, title, and interest to University.

7. FERPA. If Contractor has access to students’ educational records, Contractor shall limit its employees’ access to the records to those persons for whom access is essential to the performance of the Services. Contractor shall, at all times and in all respects, comply with the terms of the Family Educational Rights and Privacy Act of 1974, as amended.

8. Public Information. University shall release information to the extent required by the Texas Public Information Act and other applicable law. If requested, Contractor shall make public information available to University in an electronic format.

9. Required Posting of Contracts on Website. Contractor acknowledges and agrees that University is required by Section 2261.253 of the Texas Government Code to post each contract it enters into for the purchase of goods or services from a private vendor on its Internet website, including any terms and conditions otherwise marked confidential and/or proprietary.

10. Relationship of Parties. Contractor shall, at all times, act as an independent contractor and not as a partner, employee, or agent of University. Contractor shall not act or hold himself out to third parties as a partner, employee, or agent of University in the provision of the Services. University shall not have or exercise such control over the manner in which the Services are provided as would jeopardize the status of Contractor as an independent contractor. University will not withhold federal or state income tax or Social Security tax on behalf of Contractor. In addition, Contractor shall have no claim under this Agreement or otherwise against University for vacation pay, sick leave, unemployment insurance, worker’s compensation, retirement benefits, disability benefits, or employee benefits of any kind. Contractor shall have the exclusive responsibility for the payment of all such taxes and arrangements for insurance coverage and shall discharge such responsibility fully. In the event the Internal Revenue Service or any other governmental agency should question or challenge the independent contractor status of Contractor, the parties hereto mutually agree that both Contractor and University shall have the right to participate in any discussion or negotiation occurring with such agency or agencies, regardless of by whom such discussion or negotiation is initiated.

11. Non-Waiver. No failure by either party to insist upon the strict performance of any covenant, agreement, term, or condition of this Agreement, or to exercise a right or remedy shall constitute
a waiver. No waiver of any breach shall affect or alter this Agreement, but each and every covenant, condition, agreement, and term of this Agreement shall continue in full force and effect with respect to any other existing or subsequent breach.

12. **Indemnity.** Contractor agrees to indemnify and hold harmless University and its regents, officers, agents, and employees, from and against any liability, losses, or damages it may suffer as a result of claims, demands, causes of action, costs, or judgments against it arising out of Contractor’s arising out of any act or omission by Contractor in the provision of the Services.

13. **Breach of Contract Claims Against University.** University is required by law to provide notice that Chapter 2260 of the Texas Government Code establishes a dispute resolution process for contracts involving, goods, services, and certain types of projects. If Chapter 2260 applies to this Agreement, then the statutory dispute resolution process must be used by the Contractor to attempt to resolve all of its disputes arising under this Agreement.

14. **Governing Law and Venue.** This Agreement shall be construed and enforced under and in accordance with the laws of the State of Texas, and venue for any suit filed against University shall be subject to the mandatory venue statute set forth in § 105.151 of the Texas Education Code.

15. **Incorporation and Entire Agreement.** This Agreement incorporates the usual and customary University purchase order and the terms, conditions, and notices contained therein are included herein for all purposes. This Agreement, including any exhibits or addenda identified and incorporated by reference herein, and the corresponding University purchase order constitute the entire agreement between the parties and contain all the agreements between the parties with respect to Contractor and the provision of the Services. The parties expressly acknowledge that, in entering into and executing this Agreement, the parties rely solely upon the representations and agreements contained in this Agreement and no others.

IN WITNESS WHEREOF, the parties have executed this Agreement in multiple originals to be effective as of the date first written above.
