

04.204 Subscriptions

Subscriptions to magazines, newspapers, professional journals, educational and/or learned publications are, in general, payable from local or State Appropriated funds, provided that the document remains on reference and as property of the System. Payment for the initial subscription and renewal subscriptions should be processed by submitting a purchase order or check request which must contain the information listed below. All subscriptions must be in the name of the University of North Texas System if state funds are used. Individual subscriptions are considered a personal expenditure and, as such, are not payable from State Appropriated funds. Individual subscriptions may be paid using designated and restricted funds if documentation is provided which indicates a savings by purchasing the subscription as an individual rather than as an institution, or if documentation is provided that indicates only individual subscriptions are available, and that document remains on reference and as property of the department.

Example of correct subscription:

University of North Texas System
% Dr. John Doe, Dean
P.O. Box XXXX
Denton, Texas 76203

An invoice or other official documentation from the vendor stating the subscription rate must be attached to the purchase order.

If paying with state funds, payment of a subscription cannot be made more than six weeks in advance and the service length cannot be for more than two years. This restriction does not apply to designated and restricted funds.
