Step 5: Enter details in yellow fields, where appropriate

Fields highlighted in Yellow are updatable fields.

1. Enter the Effdt for when the position should begin.
2. Enter “Comments” as needed.
3. Add attachments as needed (see instructions at step #8 below)
4. If the salary increases, identify the source of funds by clicking on the identifying Source of Funds
5. Click the Post upon Final Approval box, if needed, and complete Posting Instructions section at the bottom accordingly (see step #7)
Step 6: Identify the Source of Funds

Please identify one or more funding sources that will cover the new or increased salary amount. Include the complete chartstring(s).

When identifying source(s) of funds for sponsored projects, use a C Level account value from the list. For all other sources, use a D Level account value from the list.

For questions regarding dept ids or non-sponsored projects, contact your Budget Office. For questions regarding sponsored projects, contact your Research/Grants Office.

This information will be used by the Budget and/or Research/Grant Office to inform them of the chartstring that will be used to fund this increase. You are not limited to ‘payroll related’ funding sources – see the chart to view the complete list of budget level C and D Accounts. For example, if your source to fund this overlap will come from travel funds at the D level, select that value from the “C/D Level Account” field.

You may add multiple lines as needed by clicking the “+”. Adjust the ‘Percent of Distribution’ accordingly.

Click “OK” when done.
**Step 7: Post Upon Final Approval (if applicable)**

Complete this section to provide instructions to the HR Talent Acquisition Team (or UNT Provost Office for UNT faculty) for posting into PeopleAdmin system. Do NOT use this for student employees as they are not recruited via PeopleAdmin.
