CONFLICT OF INTEREST DISCLOSURE FORM
FOR OFFICERS AND EMPLOYEES INVOLVED IN PROCUREMENT OR CONTRACT MANAGEMENT

1. Officers and employees involved in procurement or contract management for the System or a component institution are required to disclose to Business Support Services ("BSS") potential conflicts of interest with respect to contracts or bids for the purchase of goods or services from a private vendor by the System or a component institution.

2. For the purpose of this form, a potential conflict of interest exists when the officer or employee or a family member of the officer or employee has a financial interest in a private vendor that is a party to the purchasing card transaction, contract or bid for a purchase of goods or services.

3. When a potential conflict of interest exists, officers and employees involved in procurement or contract management are required to complete this disclosure form and submit it to the BSS with the epro requisition or with submission of the contract. If the potential conflict of interest is related to a purchasing card transaction or the execution of a contract or some other situation that does not involve an epro requisition or submission of a contract to the BSS, then the officer or employee should submit this form to the BSS at conflictdisclosures@untsystem.edu.

4. Officers and employees involved in procurement or contract management that have a potential conflict of interest cannot move forward with the purchasing card transaction, processing of a bid or contract, the bid award, or execution of a contract until notified in writing by the BSS that the potential conflict of interest has been considered and addressed by the Chief Procurement Officer or his/her designee.
