Commencing from the Additional Features Start Date as stated above, Graduway shall provide the Additional Features and Graduway and Client hereby agree to extend the Original Agreement by the Extension Term, all in consideration for the Total Charges. Both Graduway and Client are subject to all remaining terms and conditions as set out in the Original Agreement.

This Extension and Additional Features Agreement is a supplement to the Original Agreement and forms an integral part thereto. All terms of the Original Agreement shall be applicable to the Additional Features to include the Additional Features License Terms. Each party agrees that Graduway's licensors and suppliers are third party beneficiaries to this Order Form and Original Agreement with the right to rely on and enforce their terms to the fullest extent, notwithstanding that such entities are not parties to this Order Form or Original Agreement. The parties further agree not to take any action that may prevent or otherwise impair such licensors' or suppliers' exercise of these rights. To the maximum extent permitted by law, in no event shall Graduway's licensors and suppliers, together with their subsidiaries and affiliates, have any liability for any damages, whether direct or indirect, incidental or consequential, as a result of the use or installation of the third party licensed software, forming part of the Additional Features. If there is any conflict or ambiguity between the terms this Extension and Additional Features Agreement, then the terms contained in this Extension and Additional Features Agreement shall have priority over the Original Agreement.

This Extension and Additional Features Agreement is to be read in conjunction with the Original Agreement. If there is any conflict or ambiguity between the terms this Extension Agreement, then the terms contained in this Extension and

Additional Features Agreement shall have priority over the Original Agreement. This Extension Agreement has been entered into on the date stated above.
